About Us

The Canadian Evaluation Society Ontario Chapter is a thriving community of over 350 program evaluators committed to inclusive and collaborative inquiry and practice. We embrace an equity-focused, anti-oppression approach and strive to better reflect the diversity of our province. As we navigate the post-pandemic professional development and training landscape, we are seeking Board of Director candidates and committee volunteers who possess leadership experience, big picture thinking, and implementation capability in several areas.

What skills are we looking for?

We need volunteers with an entrepreneurial mindset and experience or interest in membership growth and engagement, business development, innovation and strategy, marketing and event planning, diversity, equity and inclusion, and bookkeeping/accounting.

Help us tackle the challenges of growing our organization, reaching and engaging members, building diversity, equity, inclusion and anti-oppression practices, and launching new and exciting professional development opportunities.

What Leadership Positions are Open?

We are currently recruiting for 5 new directors for a 3-year Board term (2023-26), including a Treasurer, a Membership Committee Co-Chair, Diversity, Equity, Inclusion and Anti-Oppression (DEIAO) Committee Co-Chairs (2 director positions), and a Business Marketing Lead.

Non-members can also apply to serve on a committee/working group.
